

MEAT PACKER

Job Summary

We are looking for a detail-oriented meat packer to join our team. As a meat packer, it will be your responsibility to inspect, package, weigh, label, and box meat. You'll also be required to adhere and uphold strict food safety guidelines and procedures, move boxes into the freezers, and ensure all orders meet customer specifications.

Duties & Responsibilities

- Cutting, grinding, preparing meat for sale
- Ability to clean & maintain tools & equipment
- Adhere to food safety and sanitation standards
- Have a strong understanding of meat cuts from various species

Qualifications & Skills

- Educated in food preparation &/or meat cutting
- Comfortable working with knives and other sharp tools
- Work well in a fast-paced environment
- Must be a team player
- Able to follow instructions & work independently
- Able to stand long hours on concrete & work in cold temperatures
- Strong communication & task management skills
- Attention to detail & appreciation for customer satisfaction

Pay & Benefits

- Competitive pay based on experience
- Dental, vision, & vacation after probation period
